Cancellation Policy: Registrants may cancel before 10:00 am EST seven calendar days prior to the course to receive a full refund. Cancellations made after this time will be assessed their full registration fees. While no refunds will be given after the cancellation deadline, fees can be applied toward any future course offering.

COURSE DESCRIPTION

- This course will be an introduction to the philosophies, techniques and theories necessary to implement aesthetic dentistry into your dental practice. The goals and objectives of porcelain laminate veneers as a treatment modality will be discussed and evaluated at length, including the discussion of preparations, temporization, cementation and smile design.
- Participants will see a comparison of simple and advanced cases and will learn the techniques used in each case. The latest in cutting edge materials and technology will be reviewed.

COURSE AIM & OBJECTIVES

- Understanding of Veneer Application
- Learning of technical skills required for Preparation and Temporization
- Cutting Edge Materials for Application and Cementation
- Use of technology and Smile Design

INSTRUCTOR BIO

- Private practice limited to restorative dentistry
- Clinical Professor, Department of Prosthodontics
